

BIG REG WEEK WELCOME AT HILLEL

Promising one of its biggest Reg Weeks ever, Hillel will throw open its doors and present the campus with a full schedule of major events.

The activities will start **Tuesday** evening with a "hoot." This is a folk song session, and will be led by Barry and Helen Olivier, who are students at Cal. Come and learn some new songs and sing your favorites at 8:30 p.m.

Wednesday afternoon at 4 p.m. will be the first meeting of the Hillel Choral Group under the direction of Dr. Alex Ringer of the U.C. Music Department. Everyone interested is invited, and no experience is necessary. Come in that night for a record dance at 8:30. There will be no charge, and refreshments will be served.

Rabbi Joseph H. Gumbiner, Director, will lead an "Ask the Rabbi" bull-session on **Thursday** afternoon at 3:30. This will give you a chance to discuss anything you want in an informal manner. In the evening, there will be folk dancing and singing led by Phyllis Grilikhes. Come upstairs too, for the first sport night of the semester. Everyone is invited to play volleyball, ping pong, and badminton.

To rest up after standing in enrollment lines **Friday** morning, come to the Foundation for doughnuts and coffee around 9 a.m.

After the regular **Friday** evening services, Feb. 3, Mr. Zev Brinner of the Department of Near Eastern Languages will speak on "The Bible and History." Services begin at 8 p.m.

The week's activities will be climaxed by the Registration Dance **Sunday** night at 8:30 p.m. Music will be provided by Kenney McCall and his band, and refreshments will be served. The dance is FREE to members and the cost is 50 cents for guests. In order to save on this, and many other activities this semester, buy a Hillel membership card at the special reduced rate of \$1.25.

The Foundation will have an Open House **Tuesday through Friday**, from 9 to 5. Hosts and hostesses will be here to tell anyone interested about Hillel, and punch and cookies will be served.

This week will be but a preview of the many activities offered to you during the coming semester

PERMANENT PROGRAM SET

Hillel members can look forward to a program this semester which contains something for everyone and every interest.

Tuesdays at 4 p.m., Rabbi Joseph H. Gumbiner, Director, will lead an informal discussion over cookies and coffee. The seminar was one of Hillel's most successful activities last semester and the topic "Jewish History—With an Emphasis on the Modern Period" promises to be just as stimulating this semester.

Tuesday evening, at 7 p.m., Mr. Dorian Ginzburg gives free instruction to beginning students of Hebrew; at 8 p.m., advanced students are instructed. All students are welcome.

The Hillel Choral Group, directed by Dr. Alex Ringer of the U.C. Music Department, meets every **Wednesday** at 3:45 p.m. This spring semester, the group will produce the musical production of an old Chassidic legend, "The Seven Golden Buttons," by Judith and Ira Eisenstein. Interest is the only requirement for a fun-filled time.

Hillel's Student Council meets on **Wednesday** nights to discuss and plan coming events. All members are invited to attend these meetings.

Every other **Thursday** at 4 p.m., Rabbi Joseph H. Gumbiner holds a second coffee hour seminar. The topic of the discussion, continued from last semester, will be "The Prayerbook: A Study of Its Meaning and Evolution."

Volleyball, Ping Pong, and Badminton, are featured at the Sport Nights held every **Thursday** evening at 7:00.

On **Friday** evening, at 8 p.m., Sabbath Services are conducted by Rabbi Gumbiner, Cantor Lou Kosman, and the student congregation. Guest speakers and varied discussions as well as singing and refreshments make up each week's Oneg Shabbat, which immediately follows services.

Cost suppers, dances, and brunches are planned throughout the semester to be held on **Sunday** evenings.

Mr. Brinner will speak on "The Bible and History," a very relevant subject to religions of today, both Jewish and Christian. All students are welcome.

Purim Carnival Coming

Brawn and brain will join together in the biggest event of the semester at Hillel's Annual Purim Carnival. The Hillel auditorium will be the scene of booths and games of all kinds, from bean-bags to rat races. The booths will be run by Hillel members—living groups, fraternities, sororities, and the Israeli group. The fun will start at 7:00 p.m. on Sunday, February 26. Competition is centered around the booths for a grand prize awarded to the sponsoring group taking in the most money. Winning this award last year was AEPH. Proceeds taken in will go to the United Jewish Welfare Fund. Last year's highly successful carnival brought in over \$100 for the drive.

An additional attraction last year which may be repeated was a talent show. Here various groups displayed their talents in acts designed to win the trophy awarded to the act judged best by audience applause.

DPhiE won last year's trophy.

This carnival promises to be the high point of the year. A large attendance and good fun for all is guaranteed.

THE UNITED JEWISH WELFARE FUND

The United Jewish Welfare Fund drive on the Berkeley campus will begin its campaign in late February and run through June, 1956. The campus drive is conducted through the auspices of the Oakland office of the National United Jewish Welfare Fund. Last year \$1,158.20 was collected, a figure only slightly more than half of the \$2,000 goal which was set. Approximately 20 students solicited or otherwise helped on the drive. This year a greater number of solicitors and other volunteers for the various jobs connected with the campaign is wanted. Give a helping hand to the United Jewish Welfare Fund; sign up now in the Hillel office to work on the drive. And start saving those pennies—any size contribution will be welcome.
